

## 2017 JAMA/JAF/JTSA Senior Driver's School

### Session Outline

Sponsors	: The Japan Automobile Manufacturers Association (JAMA) The Japan Automobile Federation (JAF) The Japan Traffic Safety Association (JTSA)
Support	: The National Police Agency, the Ministry of Land, Infrastructure, Transport and Tourism, Prefectural Police Headquarters, and Prefectural Traffic Safety Associations
Purpose	: Based on the reality of the aging society, we have prepared a practical education program for the elderly (seniors) and veteran drivers over 50 who are becoming elderly to contribute to road safety and make the public aware of the importance of safe driving.
Dates	: From May 13, 2017 to March 18, 2018, held sequentially in 40 venues throughout Japan  Drivers over 50 years old with class 1 license. They must have had their license for more than one year.
Qualifications	: 30 people per venue (Lottery if there are more than 30 applicants) *May vary at some venues
Applicants	: Participants' vehicles (Insured vehicles with 3xx, 5xx, 7xx number plates. Limited to vehicles with ABS)
Vehicle Used	: Full-day course: approximately 6 hours (incl. break), half-day course: approximately 4 hours
Class Length	: Full-day course: ¥2,057 (incl. tax), half-day course: ¥1,028 (incl. tax) etc.  Web page, telephone, fax, email, etc.
Fee	: ◆Confirm the basic driving operations (Inspect vehicles, driving posture, checking blind-corner of vehicles)
Applications	: ◆Brake reactions using traffic signals (Measure time take to stop after sudden braking) ◆The method for safely passing through intersections with poor visibility (Learning multi-step stopping and safety checks)
Course Details	: ◆Braking experience (Experience crash stopping) ◆The method for safely turning right at intersections (sense of distance problems and measuring how long it takes to turn right) ◆Understand ASVs (Advanced Safety Vehicles) (Correctly understand functions through experience)  *Content may vary depending on the venue
